Each of these seven data has marks suggestive of cold magic and adventure. Throw the dice and throw it back against the cold that's coming! Available. Available Delivery. Payment, Q Workshop Guarantee With every new project, we learn new things and improve our skills in productionthe most beautiful sets that can be found on the market. Q WORKSHOPS and Paizo's Inc. Set for Pathfinder Adventure Path: Reign of Winter is a great example of this. Made of excellent material, these white data with deeply engraved blue numerals and decorates are unique. The blue engravings look like fissures on the glacier, illuminated by winter light. In addition the deeply carved borders of the triangle and the symbols of golarion winter magic on the highest face fit perfectly into the Campaign's Pathfinder and will serve in all adventures in winter climates. We also try to find an balance between st and usability so that our data is legifable and, at the same time, "with something extra". We don't draw so. In addition, the campaign includes Baba Yaga. We don't want to mess with the witch, because we've known her in Poland since the stories of childhood. So what? Release the dice and attack the oncoming cold! The Reign of Winter campaign also a search for a Summer that does not want to return to Golarion. The search will lead to many long places and plans lost in the cold. Our data is there to support your game, because our data always helps, let the more it is not because it fit into the adventure like no other. Here your hero will have the opportunity to see by the way: The Eternal Winter, which does not want to leave, and even plans to spread throughout the world - Summer Snow; A place where even the huts get their feet don't want to stay at the bottom of the snow - The Handcuffed Hut; Three huge monumental figures that don't stay there just for the spectacle - The Move, the Hand, the Crone; Not even Golarion, maybe even other planet - The Frozen Stars - The Frog 1918! Yes, exactly on our Earth. The Mad Monk there will be Rasputin Must Die!Deeeeeeextreme hidden by the hut of chicken paws. All to save the world from the new Snow Queen - The Queen's Revenge Show more
