Driver 2 Advance is a 2002 video game, the second installment in the Driver series, developed by Sennari and published by Atari Infogrames for the Game Boy Advance. El juego is a port of Driver 2: Back on the Streets (The Wheelman Is Back in the US). In Chicago, Pink Lenny is in the brasileño tattoo bar. Dos gánsteres entran repentinamente en el bar y abren fuego contra ellos; Lenny escapa but brazilian muere. Later, su cuerpo es testinado en una mornice por los Agents de Police by John Tanner and Tobias Jones. Los tatuajes del hombre indican Que trabajaba para Alvaro Vázquez, leader de una of a criminal organization in Brazil. Después de Esto, Tanner and Jones son of enviados encubiertos para investigar la partí de Lenny a la reciente violencia de pandillas v Chicago. Experience a 3D world in Driver 2. El juego contiene dos ciudades donde se desarrollan las misiones, Chicago en los Estados Unidos, y Río de Janeiro, Brazil; todos estÁn disponibles en una versiÃn de daa y de noche. Hay cinco coches para elegir en cada ciudad Hay transeÃntes en el juego; el jugador no puede atropellarlos, los personajes siempre lograrÃn escapar del automÃvil del jugador o atravesarlo. AdemÃdel jugador, las calls de la Ciudad son conducidas por otrosconductores que obedecen las normas de trÃnsito y cuentan swindler inteligencia Artificial. Hay caminos sinuosos y rectos en el juego, a diferencia de la primera parte, donde los caminos eran rectos y se cruzaban. El jugador es perseguido por la polica cuando excede el limite de velocidad, se mueve en la direcci3n equivocada, destruye el entorno o los cars, o atropellar a las people. Cuando los coches de policaa se acerquen lo suficiente, golpearán el coche del Jugador. Se organizan bloques policiales en las carreteras, que constenen en coches de policia y policias que apuntan con un arma Tanner. El Huego Recibiamixtas o average» en both platforms según el agregador de reseñas Metacritic. GameSpot named Driver 2 Advance as the top Game Boy Advance game of October 2002.
