So, today, we will show you what it is, how to apply it, and several stunning middle part sew in styles. Don't let you wait any more! Let's go. What Is The Middle Part Sew In? Many people are still wondering what a middle part sew in is. Actually, there are 2 ways to create your middle part. The first choice is to use a piece of hair that can be known as a lace closure or lace frontal for those whose hair is too short. Or they want a totally different hair style. The second one is for girls with long hair enough. They will braid their natural hair but leave the middle area out and blend it to the weave. This sew in can balance the volume on both sides of your head and make your hairstyle bouncy and full for sure. What Are Pros And Cons of A Middle Part Sew In Styles? Everything has pros and cons, and so does sew in hair extensions. These factor will be one of things you need to consider before having sew-in. Now, let's see if it's worth to try this application method. Advantages: When it comes to advantages of this sew in, you don't need to care for any damage. If you apply the middle part sew in, there will be a little or even no damage to your real hair. It is so nice and neat, thus you are able to make different hairstyles including ponytails or join in activities like swimming, showering, etc. Disadvantages: It is necessary to brush your hair every day to prevent your hair from being messy. But keep in mind to brush your hair gently. How To Install A Middle Part Sew In? You are worried about how to install a middle part sew in properly? You are scared that you will cause unexpected damages for your real hair when doing wrong steps? In fact, there is nothing to concern about it because it is not difficult to install if you know how to do traditional sew-in hair extensions before. If you haven't, you should be careful or you hurt yourself. It doesn't take you lot of time and effort to finish the process while you can still gain a realistic result. So, below are some simple steps that you can follow to have a perfect middle part sew in. So, discover them with us! The first and foremost thing you need to do is to braid your hair. You ought to leave the front hairline out because this section is so important to give you a natural hairline. You will start to plait it first. It is necessary for you to put much thought into figuring out the way to split that part of hair in half. Plait your hair based on a specific pattern surrounding the middle part of head. Then, braid the rest of your hair. These braids should be small and tight on both sides of your head. Then link them down at the ends. The next step is to put a mesh cap on the top of hair, then trim it. Remember to cut it carefully along your hairline to avoid any damaging. After finishing all those steps, add sew in hair extensions on the sides. Sew them into your real braided hair gradually until you reach the center. Last but not least, use several good hair styling creams and products. Then brush your hair as well as cover the edges. And done! So easy, right? Now you will have no difficulties anymore. Be confident to apply a middle part sew in. Turn your natural or thin hair into beautiful, thick and long hair that you dream of. Classic Middle Parted Ponytail Hairstyles We have compiled a list of 10 sleek and sassy middle part ponytail hairstyles for all the women out there regardless of their skin tone and hair length! 1. Sleek Low Ponytail This is the most classical and iconic version of a middle part ponytail - low and completely straight and slick. A synonym for elegance. Ideal for: Oval and heart-shaped faces. How to style: First straighten the hair - preferably with a blowout, but if you don't have time for that you can use a straightener. Part the hair in the middle precisely and tie a low ponytail. Use hair gel or hair wax to make it slick. 2. Low Messy Ponytail This one represents a more relaxed and natural approach to a low ponytail with middle part. Messy hair tied in a ponytail looks charming. Ideal for: Round and square-shaped faces. How to style: Make relaxed natural waves, preferably beach waves. Tie a low ponytail leaving two pieces of hair from the bangs to frame the face. 3. Teased Medium-High Ponytail Mila Kunis has worn her fair share of ponytails. And she rocked them all, including this middle parted medium-high ponytail. While it tells a lot about her beauty, it tells a lot about the beauty of the ponytail itself. Ideal for: Square and oval-shaped faces. How to style: Tie your hair into a medium-high ponytail. Make sure the ends of your hair are curled so that the ponytail gets the extra voluminous, bouncy vibe. Use hair gel or hair wax to make the hair slick and you are good to go. 4. Teased Puffed Low Ponytail This middle part pony is worthy of a true star. We can't stop admiring the beauty of the contrast of the slickness and the teased waves of the ponytail itself. Ideal for: Oval and square-shaped faces. How to style: Use some hair extensions to achieve the desired length and volume. Make the hair slightly wavy and tie a low ponytail. Tease the ponytail all the way. 5. High Ponytail with Bangs A middle part on ponytail looks good even on shorter bangs. Ideal for: All face shapes. How to style: Part your bangs in the middle and move it to the sides, shaping them with the product. Tie a high ponytail and leave it straight. 6. Relaxed Everyday Ponytail A 15 -second pony hairstyle with mid part hair is a win no matter what. So besides 15 seconds, it is only necessary that you like how you look with your hair parted in the middle, and you are ready to leave the house. Ideal for: All face shapes. How to style: The answer is - whichever way you want to. If a middle part generally looks good on you, you can just tie your hair in the back as it is, leaving the bangs out to shape your face. 7. Sleek, Curly Low Ponytail Selena Gomez is a style icon. And everyone was in awe when she appeared in this simple red dress, wearing simple makeup and this slick middle part ponytail. Ideal for: Oval and heart-shaped faces. How to style: Use some hair extensions and part your curly hair in the middle. Tie it into a low ponytail. Curl the hair from the ponytail and comb through it to achieve that natural, wavy texture. Use a little amount of hair wax to make the hair above the ponytail sleek. 8. High Ponytail with Weave This is a nice idea of how to make hair extensions effective in a non-obvious way. Ideal for: Square and round-shaped faces. How to style: Use hair extensions and make beach waves. Braiding your hair while it's still slightly wet is a technique that might help. Afterward, part your hair in the middle but not all the way to the ponytail. The part should be 2-3 inches, and the hair behind it should be teased. Then tie a high ponytail. 9. Curly Side Ponytail It is a very good middle parted ponytail hairstyle if you have long curly hair. Ideal for: Heart and round-shaped faces. How to style: Curl your hair and part it in the middle. If it's not long enough, you can always use some hair extensions. Then tie your hair on the side, leaving a strand out. Use that strand to wrap around the ponytail. 10. Short Afro Ponytail If you are sometimes bored with your afro and don't know what you could change about your hairstyle, this low ponytail with a middle part is a great solution. Ideal for: Heart and round-shaped faces. How to style: Part your hair in the middle and tie it into a low ponytail. Use a generous amount of hair products to make the hairstyle smooth and sleek.
