# Magic chef 3.1 mini fridge manual

Tired of the pandemic situation. Here is a simple mini craft using clay that will be eye-catching and easy to do on your ownClay of different colorFoam sheetsCarton sheetDifferent paint colorSketchesMagnetic sheetsTake the clay and roll it using pins. Cut it into thin strips and paint it yellow. Cut a rectangular sheet of cardboard and paint it in red as shown in the photo.Take a cap of pasta and clean it well. Secure the cap with a transparent polyethylene sheet as a cap with a hole in the middle. Cut a small straw wire after taking the inner coil. Attach a small magnetic sheet behind the tray to attach it to metal objects.Cut a sheet of cardboard into the desired shape and paste it as shown in the picture. Stick white sheets on all sides and color it as you wish. Milk is ready. Take the white foam sheet and cut it like egg yolk.Take a small portion of clay and fix it like yellow clay. Put yourselves together in a small plastic tray. The egg omelet is ready. Insert small magnetic sheets behind the tray to attach it to metal objects.Take a small portion of clay and make sandwiches like a hamburger. Paint it with brown paint. In the same way you can make meatballs and paint dark brown. Using small square-shaped foam sheet yellow cheese can be done. If the color is not deep we can paint it with yellow. Using clay and green lettuce leaf paint can be done. Stick everything with a strong glue on the tray. It will look like a hamburger as shown in the photoMake an empty gift box using an empty box or a small cardboard box and wrap it with an eye-catching wrapper and present to your friends.Participated in the Speed Challenge A mini fridge is the perfect appliance to have if you're in the mood for cold snacks late at night and a cold beer.
